GCAA Retired Coach Membership

In 2012, the National Advisory Board created a Retired Coach membership level for any individual who had previously been a member in good standing in the GCAA. This new membership level would have no effect on life-time membership status accorded to a retired Hall of Fame member.

The board unanimously approved the new membership level as follows:

> ***A GCAA member coach who wants to become a Lifetime Retired Member shall pay the current Division dues from the Division he is retiring from.***
>
> ***OR***
>
> ***A GCAA member coach who has personally contributed a minimum of $1,000 during his years as a GCAA member to the Presidential Scholarship Fund shall be accorded Lifetime Retired Member Coach status.***

Retired member coaches will be allowed to vote and are eligible to serve as the NAB Representative at-Large if elected by the membership. Additionally, they will be included on all membership correspondence as distributed by national office, receive a complimentary weekly newsletter, *College Golf Connection*, and be invited to attend the national convention.

You can find a retired coach membership form on the Join the GCAA page of gcaa.coach. If you have any questions, please do not hesitate to contact the national office and ask for Trey Duffey.
